Dues

Troop dues are \$40 and they are collected once a year in December for the January Re-chartering. Dues pay for the registration fee, insurance, a one year subscription to Boys Life magazine and awards. This amount is reviewed annually by the committee.

Trips

The troop plans an outdoor trip every month of the year. Sign up sheets for the trips are out at every meeting. We recommend parents look at the sign up sheet to see what trips their scout has signed up for. It also allows verifying that your scout does not have a conflicting activity on that date.

Expenses: The scout is responsible for his portion of the of the trip expenses. The expenses typically include food, campsite fees, rentals, entrance fees and a travel fee when necessary. Some trips require a non-refundable payment. You will be given notice when a deposit is non-refundable. Scouts and adult leaders can use the money in their troop account to pay for these expenses.

Medications: Parents must leave us with a permission slip and a contact number. Also, any medications that the boy is on, both OTC and prescription must be given to the adult in charge of the trip along with written dosing instructions.

High Adventure: A few times a year the troop offers high adventure trips to the scouts. These trips are more strenuous then our monthly trips and typically require that the boys are at least 14 years old and at least 1st class.

Electronic devices such as radios, tape players, CD players, MP3, Ipods, DVD players, electronic games and cell phones are not allowed while we are camping. Trip leaders have the leeway to suspend all or part of this rule depending on the parameters of the trip. All unauthorized devices will be confiscated for the duration of the trip.

No sheath knives or double bit axes are allowed at any scout function and they will be confiscated.

No aerosol containers or lighters are allowed and they will be confiscated.
